SUMMARY

As a diligent and tech-savvy individual, I bring a solid foundation in HTML, CSS, JavaScript, and Java. A recent graduate with a Bachelor's in Computer Science and Engineering, I am eager to apply my technical expertise in a dynamic work environment. My passion for web development is evident through projects like my e-commerce website, where I effectively utilized HTML, CSS, and JavaScript to create a visually appealing and functional showcase of my skills. Possessing excellent communication skills, I am eager to contribute to a collaborative team and further enhance my capabilities through hands-on experience in the field.

PROJECTS

E-Commerce Website with Node.js and Stripe Integration.

https://github.com/Manohar773/E-Commerce-Website
Description:
Designed and developed a dynamic E-Commerce website from the ground up, showcasing my proficiency in HTML, CSS, and JavaScript for the front-end and Node.js for the back-end. The website features a user-friendly interface, providing seamless navigation for customers.

YouTube Main Page Clone

https://github.com/Manohar773/YouTube-Clone
Discription:
Successfully replicated the YouTube homepage, showcasing a high level of proficiency in HTML, CSS, and JavaScript. This project reflects my commitment to creating visually appealing and interactive web interfaces. Leveraging modern web development technologies, I meticulously designed and implemented the key features of the YouTube homepage.
